Q) What is the payment terms?

A) Usually we require full payment before delivery by international wire transfer to our company account.

Q)Do you accept payment by credit card?

A)Sorry we are not able to receive payment by credit card now(because of New Zealand finance policy).As to using Paypal to get payment by credit card it is known that the risk is paypal claim to have the rights to close any account without notice any time they think the account is suspicious.This is a big risk for both buyer and seller,so we do not use Paypal.

Q)How about using western union?

A)We can get payment sent from western union but we do not suggest you choose this way, reason one is by this way the bank charge is very high at your side (at our side it is no bank charge),reason two is to protect you from any possible risk(Western union is known as not a good way of payment to protect the rights of the buyer).

Q)How long it takes for you to get the payment after we make the transfer?

A)It is around 1 to 3 business days, depends on which bank you use and your location.
